MEETING 2017

Registration

Exhibitors are entitled to exhibition only passes. Please consult the offer letter which will detail the number of exhibition passes and delegate registrations included within the package. Exhibitor registration includes access to the conference centre, exhibition halls, lunch, tea and coffee and limited access to sessions (These session passes will be identified in your welcome pack on arrival in Manchester). If sponsors would like to arrange onsite booth staff, please contact the Organisers (MCI UK Ltd) at BSG2017industry@mci-group.com. The Organisers (MCI UK Ltd) will share information on the related costs.

Registration Procedure

Please note, exhibitor badges will state the exhibiting company name and 'EXHIBITOR' only and will not contain personal first names or surnames. Please nominate a colleague to collect all exhibition and delegate badges from the registration desk. It is then the duty of that individual to distribute the badges accordingly. Exhibition staff will need to receive their badges before being allowed access onto the exhibition floor. You are not required to register online for your set entitlement of exhibitor registrations; these are automatically allocated to you.

Additional exhibitor registrations over and above the entitled amount are available to purchase at £150 +VAT per person via the online registration system. These registrations include lunch, tea/coffee, access to the conference centre and exhibition halls only and limited access to sessions (max three exhibitors per company per session – priority will be given to delegates with full congress registration). Replacements for lost badges will be charged at £50 per person.

Please see the registration page of the Annual Meeting website for full details on the registration rates and key deadlines.
